The perfect place for your Wedding

The perfect place for your ‘I DO’

OSTUNI ART RESORT

In the heart of Puglia, nestled within a centuries-old olive grove, Ostuni Art Resort is a carefully restored collection of ancient Trulli, transformed into an exclusive retreat where nature, tradition, and art come together. A refined and authentic setting, perfect for celebrating your wedding in an intimate and bucolic atmosphere.

The grounds, consisting of three stone buildings and five Trulli, preserve the charm of traditional Puglian homes, where shared kitchen and oven spaces recall family traditions. Here, the authentic flavors of Puglia come to life with fresh produce from the garden and typical regional recipes.

Every corner of Ostuni Art Resort tells a story: the scents of lemons, almonds, and prickly pears, the white lime-painted walls that brighten the architecture, and the dry-stone walls that shape the landscape. A perfect harmony between the craftsmanship of local artisans and a prestigious contemporary art collection.
